Dear Sir / Madam

I am writing this letter to express my gratitude for the help you are giving me.

I am happy to tell you that your assistance has pushed me to where I am today. I never imagined that I will reach this level of education.

I hope God will bless you for your kind deeds. May he multiply everything you desire in life. I on the other hand will continue praying for you and working hard so that your efforts will not go down in vain.

I am really grateful for your help

Yours gratefully

Bridget Moyo.
